

# SprutCAM<sup>TM</sup>

## PACKAGES

**TORMACH<sup>®</sup>**

# SprutCAM™ Packages

## Basic \$595

Configuration for parts production using a 3-axis Tormach Mill or Router. Best for production parts with simple curved surfaces. Posting restricted to Tormach Machines only.

## Standard \$895

Top solution for 3-axis machine programming. Including production of parts with complex curved surfaces, for ex. mold & die. Posting restricted to Tormach Machines only.

## Advanced \$1,395

Rotary milling programming for up to 4-axis milling. Also includes functionality for lathe programming. Posting restricted to Tormach Machines only.

## Ultimate \$2,395

Rotary milling programming for 4-axis and also Lathe. Posting Restrictions disabled allowing use with non-Tormach machines.

Users can upgrade to different configurations after purchase, you simply just pay the difference.

# Operations

	Basic \$595	Standard \$895	Advanced \$1,395	Ultimate \$2,395
<b>Operations for 2/2.5D Milling</b>				
2D Contouring	x	x	x	x
Engraving	x	x	x	x
2.5D Pocketing	x	x	x	x
2.5D Wall Machining	x	x	x	x
2.5D Cover Machining	x	x	x	x
2.5D Chamfer Machining	x	x	x	x
Pocketing	x	x	x	x
Hole Machining	x	x	x	x

	Basic \$595	Standard \$895	Advanced \$1,395	Ultimate \$2,395
<b>Operations for 3D Milling &amp; Indexed Rotary Axes</b>				
3D Contouring	x	x	x	x
Flat Land Machining	x	x	x	x
Waterline Roughing Operation	x	x	x	x
Plane Roughing Operation	x	x	x	x
Waterline Finishing Operation	x	x	x	x
Plane Finishing Operation	x	x	x	x
Optimized Plane Operation		x	x	x
Complex Operation (Waterline-Plane)		x	x	x
Morph Operation		x	x	x
3D Helical Operation		x	x	x
Scallop Operation		x	x	x
Face Milling	x	x	x	x
FBM	x	x	x	x

x — Available

\$ — Option (need additional license)
